

Register of Interests - Board and Committee Members

Public Health Wales is committed to openness and impartiality in its work and decision-making. As part of that commitment, and in line with the Declarations of Interests, Gifts, Hospitality and Sponsorship Policy, we maintain and publish this Register of Interests which draws together Declarations of Interest made by Board members. Staff members' relevant interests will be disclosed as part of the appointment process or whenever a new declarable interest arises. In addition, at the commencement of each Board meeting, Board members are required to declare any interests.
