

Local Partnership Forum Terms of Reference June 2025

1. Introduction

- 1.1 The Local Partnership Forum (LPF) for Public Health Wales NHS Trust (the organisation) is the formal mechanism where the organisation management and recognised Trade Unions work together to improve the health and well-being of the people of Wales. It is the forum where key stakeholders can discuss and consider the organisation's strategic direction, priorities and plans, and how these will affect the workforce, as well as engage with each other to inform, debate and seek to agree local priorities on workforce related issues.
- 1.2 The purpose of the LPF is twofold:
 - 1.2.1 It is where key stakeholders can engage with each other to prioritise, inform, debate, and seek agreement on strategic workforce and public health services issues enabling high-level, strategic discussions to take place in relation to the organisation's future direction.
 - 1.2.2 It will also provide the formal mechanism for consultation, negotiation and communication between the Trade Unions and management on specific workforce related matters that arise out of the organisation's priorities and plans.
- 1.3 Operational, day to day matters will typically be discussed and resolved at Directorate or divisional level.
- 1.4 There is also the opportunity to resolve any informal/operational matters through regular dialogue at the Partnership Working Informal Meetings. These meetings happen bi-monthly (in the months in which LPF is not due to meet), they are chaired by the People and OD Operations Service Manager or nominated deputy, and attended by members of People and OD and the Staff Side Committee.
- 1.5 In embracing the ethos of partnership working, the Public Health Wales Board will engage with recognised Trade Unions in the key discussions affecting the organisation and its people at the Public Health Wales Board and its Committees, LPF and, where appropriate, at Local Directorate or divisional level.

- 1.6 The LPF will provide the formal mechanism for consultation, negotiation and communication between the Trade Unions and management.
- 1.7 As above, members of LPF and People and OD will work to resolve operational issues outside of this forum. Depending on the nature of the work being undertaken, there may be a requirement to report back to LPF or for LPF to refer work to the operational group.
